

Diagnosing Difference

Documentary Film and Discussion on Transgender Issues in Healthcare

Post film discussion facilitated by Frank Brooks, LCSW, Ph.D

Featuring interviews with 13 individuals who identify as transgender, transsexual, genderqueer, and gender variant, the film explores the impact and implications on these individuals' lives and communities. It also provides medical and mental health professionals with compelling historical facts, contemporary debates and personal narratives.

Wednesday, April 13

7:00 p.m.

Alfond 205, UNE Biddeford Campus

Co-sponsored by Q-Med and Multicultural Affairs & Diversity Programs
