

Information for Presenters

Thank you for your participation in the 2010 WCHP Fall Research and Scholarship Symposium. A few final notes to help you prepare:

Oral Presentations

- Note the time and place of your presentation
- Each room will have a lectern, computer, projector, and screen. Ludcke Auditorium will have a microphone
- Rewrite, reorganize, and rehearse your presentation, complete with visual aids, so that it will fit comfortably in 15 minutes. There will be some additional time for Q & A and discussion
- Save your PowerPoint slide show and any additional files needed (e.g., supporting video files) on a flash drive
- You will run your slide show from the flash drive using the computer provided
- A moderator will introduce your presentation, monitor the time, and facilitate the Q & A period
- Have fun
- Invite your family and friends

Poster Presentations

- Boards and pins for mounting the poster will be available in the Finley Recreation Center
- Posters should be on display from 12:00 to 2:00
- Authors should stay with their poster for the entire 2 hours to answer questions, etc.
- Have fun
- Invite your family and friends
