

Veterans' Day Observance

Please Join Us on the Portland Campus next Thursday, November 11, 12:00 on the Hersey lawn (in front of Hersey Hall).

11/11 will be the 4th veterans' appreciation and honoring event here at UNE. The first circle was held on Earth Day, 2009, when 4 of us gathered to plant a tree in honor of all students and faculty who have served in the US armed forces. In the second circle of honoring we dedicated a plaque, and members of the circle were invited to speak about the one(s) they were there to honor. We gathered again 10/13 with an expanding circle in attendance for the same reasons, with emphasis on ways we can help veterans' and their loved ones. Now on 11/11 the circle of honoring gathers again in a 4th celebration on the lawn in front of Hersey. Anyone who would like to attend this circle may join us and all will have the opportunity to speak what's in their hearts and for whom.

Lunch will be served in Cahners Lounge following the outdoor gathering. Come share your stories and memories.

If you plan to attend, please RSVP to LBileck@une.edu by 10:00 a.m. this Thursday, November 4, and please let us know how many in your party will be attending the luncheon.
